Cavalari di

presents

Giovedì 29 settembre ore 14.30
Biblioteca del Tamburo

AccessEngineering is an engineering reference and teaching platform of interdisciplinary engineering content integrated with analytical teaching and learning tools.

- **Books** include textbooks, professional reference books and handbooks, and Schaum's Outlines
- **Videos** include problem-solving videos that show worked solutions to engineering, math and science problems.
- **Case Studies** provide real-world examples of engineering applications with a full set of problems and solutions
- **Step-by-Step solutions** help students learn to solve similar problems on their own
